grit
gravitation in técnico

Gravity plays an important role everywhere!

Astrophysics, HEP, particle physics, condensed matter, fundamental physics, information theory, etc...

Specially exciting years

GR100

SPRG

Sociedade Portuguesa de
**Relatividade
e Gravitação**

Schwarzschild 100 (EREP 2016)

Rumours, rumours, rumours...

Purpose of meeting:

interact and understand, so ask questions, “stupid” ones. Harass speakers after talks, ask for more material!

Talks: Test laptops, send us pdf NOW; chairs: **be firm!**

Wireless: user: **GR100** passwd: **JR3gFY**

Subway: Rechargeable Card **Lisboa Viva** (good also for trams)

Lunch: Inside or outside IST

Social Program: dinner at “Cocheira Alentejana” at 20:15

For any other business: Rita, or Richard

Thank you
